# LABELS THAT STICK

All RHINO labels are super strong and engineered for the long haul. Thanks to industrial-strength adhesives, they deliver the lasting durability you demand. With RHINO 101, you can rest assured you're using reliable RHINO labels in specially-designed, easy-to-load cartridges.

## Continuous Flexible Nylon Labels for General Purpose Marking

- Specially formulated to stick and last on a variety of surfaces (smooth, curved, textured and highly textured)
- White continuous write-on area accepts permanent marker
- Easy-peel, split-back labels

General Purpose Marking

Easy-peel, split-back labels

## Self-Laminating Vinyl Labels for Wire and Cable Marking

- Specially formulated to stick and last on wire and cable
- White write-on area accepts permanent marker
- Clear tail wraps around and laminates handwritten text to provide additional protection
- Easy-peel, die cut labels

Wire and Cable Marking

Easy-peel, die cut labels

## RHINO 101 LABELS
