

USB & 3.5MM OPTIONS

Work with common calling applications across almost all platforms and operating systems

Wired USB & 3.5mm Monaural Headset with noise-cancelling Microphone

MPow series

THB323A

Lightweight business wired computer headset with noise cancelling microphone for Webinars, Cell Phones, Call Centers.

Widely compatible

Multi-Purpose and Wide Compatibility, this headset can be used mainly for communications, webinars, chats.

Wide compatible with Windows, Mac OS X, iOS, Android, Tablet PC.

USB and 3.5 mm connectivity options let you work on a variety of devices.

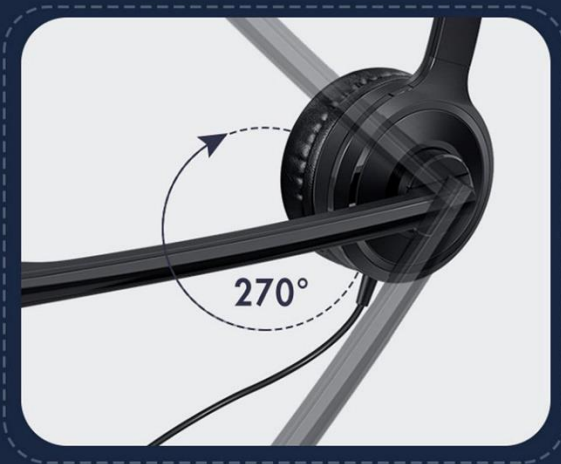

MONAURAL HEADSET:

this SINGLE-SIDED BUSINESS HEADSET adopts the single-sided design, which is ideal for having an open ear to your surroundings on desktop calls.

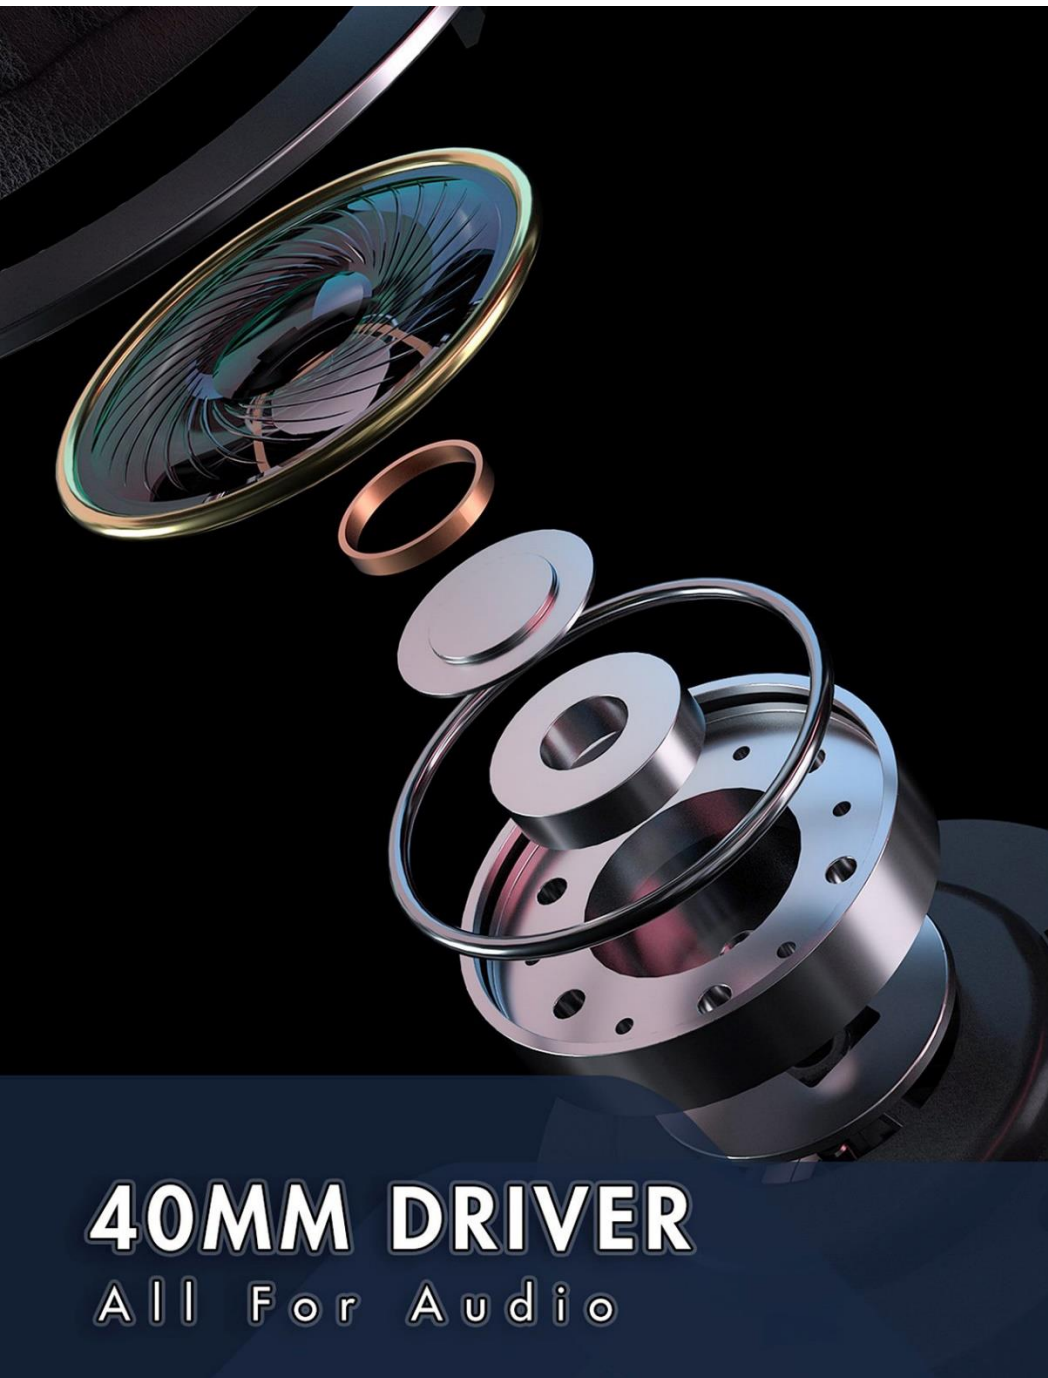

NOISE-CANCELING BOOM DESIGN:

The 270-degree rotatable boom mic ensures precise positioning and optimal noise cancellation, staying clear of the customer service representative's peripheral vision while helping ensure that customers hear every word.

Also, you can wear it on the left or right ear as you like.

Rotatable Boom Mic

40MM DRIVER

All For Audio

CLEAR SOUND

Communications headset with built-in noise-cancelling microphone. Reduces unwanted background noise for clear conversation.

Ideal for speak, online courses, chat, call center, conference calls, webinars presentations and more.

ALL-DAY COMFORT

Made from high-grade ABS materials and soft protein ear cushions, this headset provides the customer service representative with an ultra-lightweight fit.

It's comfortable enough to wear all day, on your longest calls, especially for Telephone-intensive users, including formal customer care centers, help desks, telesales, and customer service organizations.
