

Neatly bundle your cables! Jonard Tools' Cable Comb™ Cable Organizing Tool substantially reduces the amount of time it takes to straighten, organize, and lash multiple cables together with ease. The Cable Comb also features the following:

- Holds up to 24 CAT6A, CAT7, or other similar sized cables
- Compatible with any cables or wires up to 0.36" (9.14 mm) in diameter, such as: Coaxial (not RG6 Quad), Plenum, Control, CAT5/5e/6/6A/7 Network, Speaker, and Alarm Cables and Wires
- Unique design allows individual cables to be loaded into the blue inner hub at any point during use without the need to find and thread the cable ends
- Cables can also be removed at any point during use by sliding the yellow outer collar back and removing them through the large opening of the collar
- Built-in finger grooves make it smooth and comfortable to pull through cables without needing to worry about the orientation of the tool
- Lifetime Warranty
