

Designed to strip the most commonly-used stranded and single conductor wires, this wire stripper is the perfect tool for cutting, stripping, and crimping 10 AWG-16 AWG (2.6 mm-1.3 mm) wire. This wire stripper features the following:

- Strips single conductor wires from 10-16 AWG or stranded conductor wires from 12-18 AWG
- Knurled plier tip can get into tight spaces for grasping, holding, twisting or pulling wire
- Cutting knives on plier cut through copper wire or other similar materials quickly and easily
- Grooved gripping holes provide extra leverage for turning nuts, bolts, and other objects of various sizes
- Built-in terminal crimper crimps a variety of electrical connectors
- Heavy-duty ergonomic handles provide extra grip and leverage
- Lifetime Warranty
