The Jonard Tools CST-92 COAX stripping tool is designed to strip RG59, RG6, RG6 Tri & Quad Shield, N48, RG7, and RG11 coaxial cables for quick and easy termination. This COAX stripping tool features the following:

- Included blade cartridge provides a 2-level strip for F, BNC, and RCA connector termination
- Cartridge is reversible for ambidextrous use
- Hook and Loop strip on side of the tool folds back the braided shield on the cable with ease
- Large finger loop provides smooth rotation during use
- Stripping action removes 1/4" of jacket and 5/16" of shield and dielectric, which exposes the center conductor

SPECIFICATIONS	
CABLE TYPE	COAX
CABLE SIZE	RG59/6/N48 & RG7/11
PRODUCT MAIN COLOR	Blue
DIMENSIONS	3.66 in x 1.65 in x 0.87 in (9.3 cm x 4.19 cm x 2.2 cm)
WEIGHT	0.07 lb (30.872 g)
UPC #	810053352168
