

The Jonard Tools FOR-3000 Round Cable Slitter is designed to easily and safely open round fiber optic cable jackets from 9 mm to 19 mm in diameter. It is ideal for any FTTH or maintenance technician that needs to work with round fiber optic cables, whether mid span or end-run. This round cable slitter features the following:

- Slits cables with outer diameter from 9 mm to 19 mm
- Provides easy fiber access for both mid span and end of cables
- Ability to slit and ring all in one tool
- Works on light armored cables also
- Blade is easily replaceable with replacement blade: FOR-300-RB
- Hinged tool easily separates for quick cable loading for mid span slitting

Replacement Blade Part Number: **FOR-3000RB** (sold as a pack of 2)
